Discover this stunning geodesic home, located in Pinoso, just 45 minutes from Alicante via highway. Enjoy the peace and tranquility of a unique natural setting while staying close to the spectacular beaches of the Costa Blanca and Alicante's vibrant Mediterranean charm.

Property Features:

3 bedrooms:

Two in the main house.

One in a separate building, ideal for guests, a private office, or studio.

2 modern bathrooms.

Innovative geodesic design for maximum energy efficiency and comfort.

Villa Amenities and Extras:

700 m² of stamped concrete, perfect for outdoor spaces and pathways.

Expansive garden with lighting and an elegant vertical block planter.

3,600 meters of fenced property with a motorized gate for added privacy and convenience.

Private swimming pool, perfect for enjoying the Mediterranean climate.

Forced air ventilation system, ensuring fresh air throughout the year.

Pellet stove, ideal for cozy winter evenings.

Greenhouse, perfect for growing your own plants and vegetables.

Cozy pergola for relaxing outdoors.

Spacious and functional garage.

Fruit tree area, offering fresh, homegrown fruits.

Off-grid photovoltaic installation with batteries, ensuring energy self-sufficiency.

Potable water tank and irrigation water supply, essential for garden maintenance.

Easy access via paved road.

Perfect Location:

Pinoso is the ideal destination for those seeking peace and connection with nature, while still being close to Alicante, known for its beaches, marina, and excellent cultural and culinary offerings.
