This is a fantastic opportunity to own a large family country house in a small hamlet just outside Pinoso. This huge building could also generate a business income, as it has a separate annexe by the pool, which could be a good sized one bed apartment, or even a two bed apartment. To the rear of the property is another bodega, which could be converted into a self contained house or business, and there is a large courtyard area that joins the two. This would make a superb high quality B&B business or suitable for up to three families to holiday together, but in separate accommodation on the same plot. The main house consists of 5 bedrooms, two living rooms and a large kitchen, with separate washing/laundry room and storage room on the roof. All the fixtures and fittings are of the highest standard (the doors were €800 each, for example). The property does need some TLC.

Pinoso (El Pinós) is one of Spain's richest towns, with a marble mine, thriving footwear industry, salt deposits and a booming wine and agriculture industry. The town sits located in the mountainous countryside of the Alicante wine region, 45-50 minutes drive to Alicante airport, city and beaches and close to the border of Murcia.

Pinoso has all the amenities you need: Supermarkets such as Consum, Dia, Mas y Mas and Hiperber, a wide range of restaurants including Irish and Indian and bars (50+), a 24hr medical centre, English speaking dentists, veterinary, a weekly market on Saturday and indoor market open 6 days a week. Pinoso has 3 primary schools, a high school and a music school. There is also a new cultural centre which houses a library and Spanish classes open to foreigners.

Throughout the year Pinoso has its traditional Spanish Fiestas with parades and musical performances which are renowned around the country, bonfires with a magic feeling and where people go out on the streets. There is also an annual running of the bulls (the bulls are not harmed!) which draws crowds from around the region to watch the brave participants join the bulls in the special arena.

The city Elda & Petrer is a 20 minutes drive, it has a large Hospital with English speaking doctors, a huge range of bars and restaurants, indoor shopping center, big international gym, Carrefour, Aldi, Lidl, Cinema with English movies shown weekly, bowling and fast food outlets.

Alicante airport, city and beaches is only 45 minutes drive away.
