A Beautiful Townhouse in the heart of Castalla

Very rarely does a town house so close to the castle and all on one level and with a nice garden, come up for sale in Castalla. This property has recently undergone a full redecoration and is now a beautiful home.

It consists of 2 bedrooms, 2 bathrooms a living room with log burner and a large kitchen with dining area. In the living room are French windows that look out onto the beautiful garden and the surrounding mountains. Due to the properties elevated position and close proximity to the castle, you have fantastic views of Castalla town too.

The garden has been well maintained and has an area for the above ground pool. In addition to this there are various terraced areas for taking in the sun as well as other shaded areas.

This house also has access to under the house storage.

We cannot recommend viewing highly enough.
