A nice country house comprising 3 bedrooms, 1 bathroom and a separate 2 bedroom casita.

The property sits on a plot measuring 7000m² and has a private swimming pool. The property is accessed by a tarmac road and the casita has its own separate entrance making it perfect for family and friends that come to stay.

Inside the main house is a good size living room with log burner. To one side of this a door leads you to the larger than average kitchen and pantry. A small hallway leads to the 3 bedrooms and family bathroom. Off of the master bedroom is a walk in wardrobe.

The garden has many terraced areas for taking in the sun as well as shade provided by the many fruit trees. There is also an area planted with an olive grove that could bring in a small income.

In addition to the main house and casita, there are various other small outbuildings that are all included in the deeds.

The property is in good condition as is the casita.

The views from the property are truly stunning and viewing is highly recommended.

Onil

Located in the province of Alicante, Onil is a destination with plenty of museums that are worth taking a look around. [Museo de la Muñeca](#) (the doll museum), Museo del Aceite (the olive oil museum), Museo de los Festeros (the museum of festivals) and Museo de los Reyes Magos de Oriente (**the museum of the Three Wise Men**) will provide you with a unique insight into what this small town is all about.

In addition to all of this, Onil has some excellent schools and plenty of shops, supermarkets, restaurants, bars, medical facilities with 24 hour coverage and an excellent sports centre.
