A beautiful 3 bedroom villa in one of the most sought after roads on the urbanisation.

We are proud to offer this beautiful villa consisting 3 bedrooms, 2 bathrooms, living room with dining area, fully fitted modern kitchen, huge underbuild, very large naya and all of this on a large plot. This property also enjoys stunning views of the surrounding countryside and mountains.

The villa has been very well maintained and has air-conditioning as well as oil fired central heating. There is plenty of off road parking and the garden is big enough for a swimming pool if desired.

At the rear of the house is the entrance to the huge underbuild. This is currently being used for storage and a workshop but could easily be converted to more living space if required.

This is a wonderful property and viewing is highly recommended
